Sullivan, R. P.: Kentucky Independents hold one-day meeting*, Apr. 12, p. 21.
Welch, Francis X.: In the Nation's Capital:
Portal-to-portal wage suits show industry in general that it should have supported Gwynne Bill, Jan. 4, p. 12; Investigations by Congress of interest to telephone industry . . . probably will involve labor union reform legislation, Jan. 11, p. 11; Elimination of telephone excise taxes favorably would affect rate increase applications as far as subscribers' expenditure is concerned. . . . Hill Bill, Gwynne Bill, minimum wage legislation are discussed, Jan. 18, p. 18; Federal budget argument ends honeymoon (or armistice) of President Truman and Congress . . . explains Republicans' switch on reducing or ending excise taxes . . . suggests approach for telephone industry to make in considering reduction or elimination of telephone taxes, Jan. 25, p. 13.
Telephone and telegraph industries should present Congress with a definite bill concerning their separation from so-called luxury items, especially since state and city legislatures seek to levy new utility taxes. . . . Sees danger of "temporary" excises growing into permanent federal habit, Feb. 1, p. 19; Southeastern association, composed of commissioners in

southern states, decides to make joint investigation of AT&T and Southern Bell earnings in connection with recent rate increase applications. . . . Indications may point to extension of excise taxes on permanent basis, Feb. 8, p 9; FCC considering possibilities of another interstate toll rate reduction, Commissioner Walker informs NARUC. . . Resume of present labor laws and digest of proposals to amend them or for new legislation presented, Feb. 15, p. 13; Looks for FCC to go slowly on considering another toll rate reduction. . . . Telephone industry faced with difficulties, Feb. 22, p. 13.

House passes Gwynne Bill with one-year statute of limitation on back wage suits, Mar. 8, p. 9; Growing tendency of taking away workers' freedom by union leadership discussed. . . . NFTW President Beirne's testimony before Senate Labor Committee on this and contemplated telephone strike Apr. 7 reviewed, Mar. 15, p. 17; Applauds President's nomination of Commodore Webster for FCC post. . . . NFTW may run into difficulties in threatened Apr. 7 nationwide telephone strike in connection with state anti-utility strike laws, Mar. 22, p. 13; Gwynne Bill passes Senate with two-year limitation provision. . . . One or two major strikes in key industries might hasten other labor legislation. . . . Representative Poage reintroduces REA rural telephone bill, Mar. 29, p. 13.

Passage of Patterson Bill to wipe out import tax on copper so America's depleted stockpile can be replenished is urged. . . . NFTW modifies industry-wide bargaining demands. Apr. 5, p. 19; Congress certain to pass tougher labor bill as result of nationwide telephone strike. . . . Workers would take secret vote on whether to accept arbitration proposals or continue on strike, Apr. 19, p. 15; Senator White's bill to amend Communications Act in final form. . . . FCC tells Congress Western Union faces financial crisis, Apr. 26, p. 17.

Senator Hill requests information concerning rural telephone service from REA Administrator Wickard. . . .Uses old technique of releasing to newspapers government official's reply, May 3, p. 11; FCC listens to proposed recorder tone warnings at conference. . . . Conference committee approves compromise on Gwynne Bill. . . . AFL demand for government or AT&T to take over Western Union discussed, May 10, p. 13; results of Virginia's strike law in telephone strike reviewed. . . AFL and CIO eye possibilities of taking independent telephone unions. . . . Move to strip Wage and Hour Administration of autonomy and place it under secretary of labor, May 17, p. 13; Unusual for President to send Congress memorandum as Truman did with Gwynne Bill. . . . NARUC-FCC joint committee completes, report on separation study, May 24, p. 9.

Effect of nationwide telephone strike on unions and management and future employe-employer relations discussed. . . . White Bill (Senate) to amend Communications Act and reorganize FCC of interest to telephone industry. . . . Bell and USITA oppose excise taxes at house hearing, June 7, p. 17; Good chance of Taft-Hartley Bill enactment, with or without President's signature . . . provisions of bill outlined. . . . NFTW and CIO officials issue statements in "battle" over affiliation of telephone unions, June 14, p. 15; Telephone industry and REA working on agreement to govern joint use of each other's poles. . . . Georgia's commission's order invoking penalty rate on two companies failing to maintain adequate service deemed original exercise of regulating authority, June 21, p. 18; See Interior Department "shenanigans" in appointment of Jones (and withdrawal of Wakefield) for FCC post . . . provisions of two-way agreement of REA and telephone industry on joint use of poles, June 28, p. 15.

Back of the scenes in Washington, Apr. 12, p. 14.

Bell and Edison, centennial twins of American inventive genuis, Mar. 1, p. 14.

Farm telephony going ahead*, Apr. 5, p. 13.

Industry's stake in federal government, May 31, p. 23.

Workman, Mayme:

All America remembers*, May 3, p. 25.

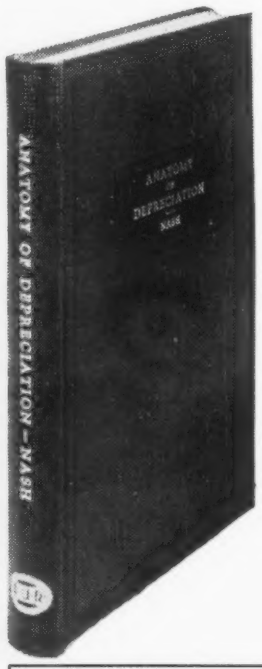
Illinois traffic conference report, Apr. 26, p. 58.

Report on Nebraska traffic conference, May 3, p. 32.

The operator's corner: Jan. 18, p. 22; Jan. 25, p. 19; Feb. 8, p. 28; Mar. 8, p. 19; Mar. 22, p. 21; Apr. 5, p. 27; Apr. 19, p. 27; May 24, p. 14; June 7, p. 28; June 21, p. 21; June 28, p. 20.

What made the telephone industry great? May 17, p. 17.

Wright, J. H.: Selecting the operator, Jan. 11, p. 9.



An Important New Book!

"ANATOMY of DEPRECIATION"

COVERING THESE TOPICS:
